

How to join a Zoom meeting

SFAI has deployed Zoom video and web conferencing as a tool for remote learning. Instructors can now conduct courses through Zoom meetings. Students will receive an email invitation that links to the Zoom meeting.

1. Click the link in the email to download the Zoom application or run the meeting in your browser.

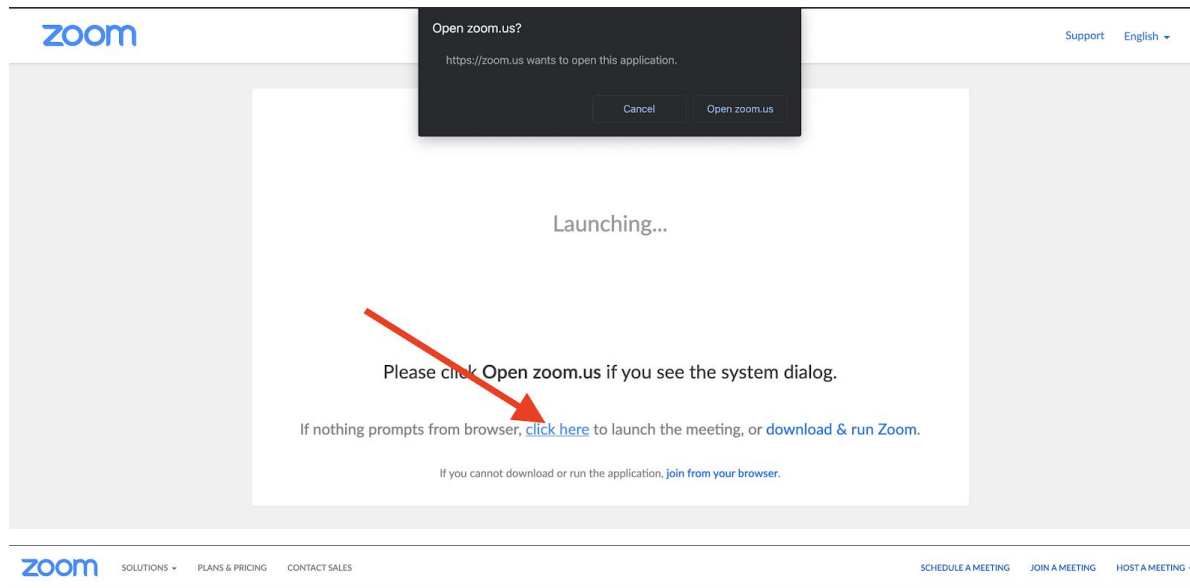

2. If you have the Zoom application installed you will be prompted to “Open zoom.us”
If you do not have the Zoom application installed choose “download & run Zoom” to install Zoom

2.a Optionally you can choose to run the meeting in your browser without the Zoom application. Choose “click here” then enter your name and password for the meeting. The password can be found in the email invitation.

Note, having the full desktop client installed is preferred method as it allows you to share your screen and other features.

Please enter your meeting password and name to join the meeting

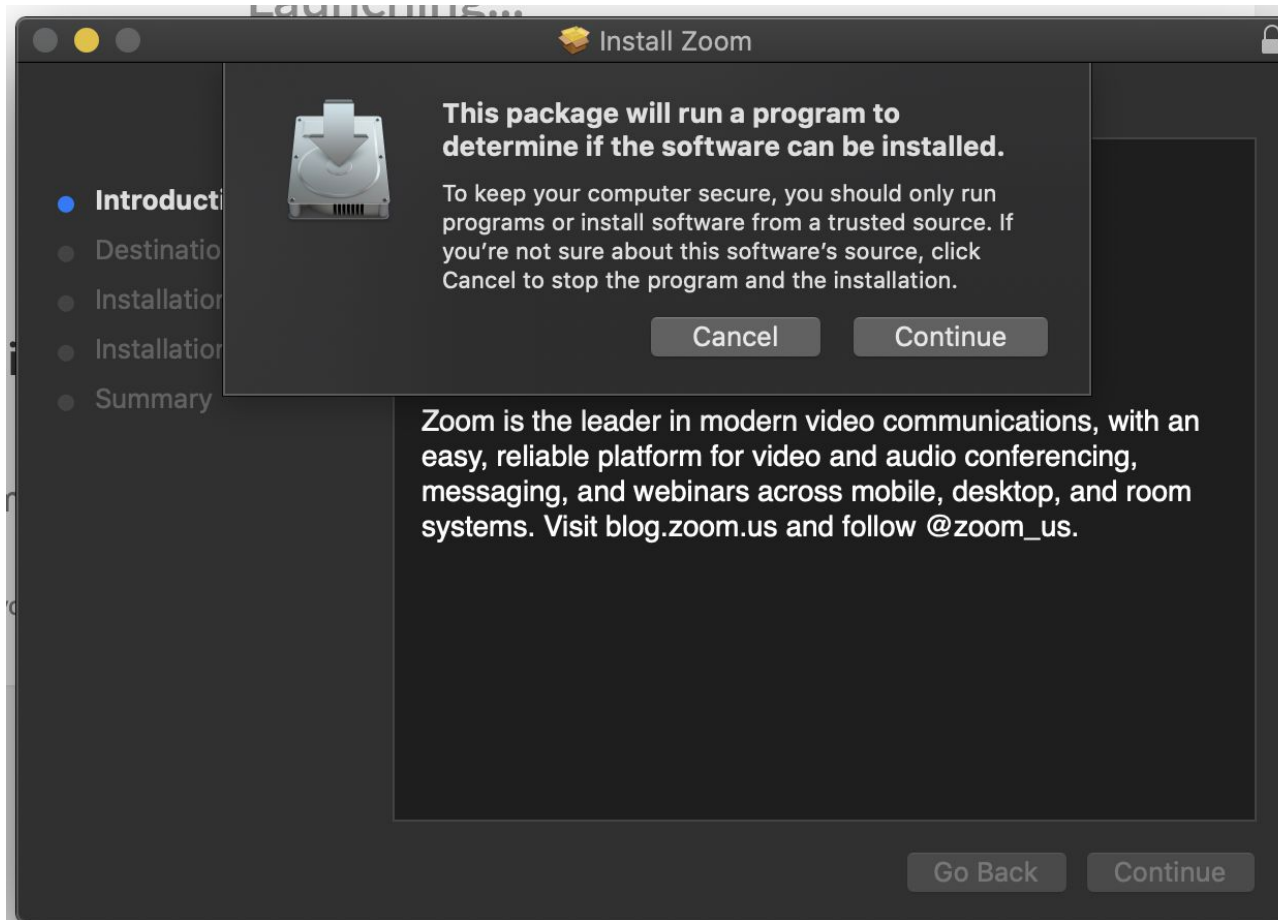

You can find the meeting password in the email invitation

Meeting Password

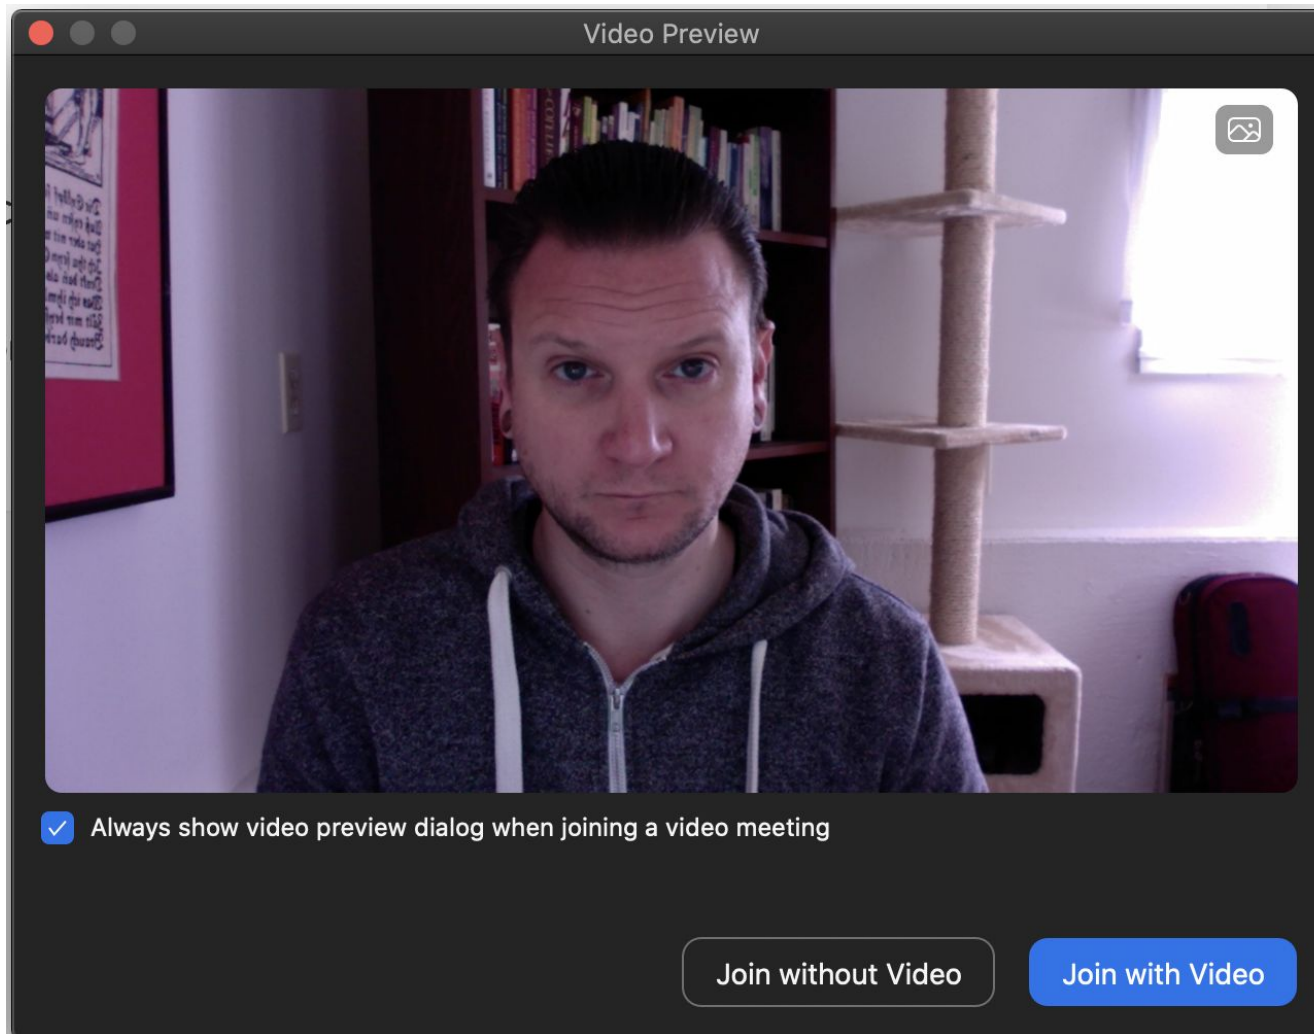

Your Name

Join

3. After downloading the Zoom client, run the installer to install the full Zoom client

4. Once installed the meeting will automatically launch. You can then choose to join the meeting with or without video.

You will then be entered into the Zoom meeting.
